

# **CASCINA GALLETTO**

**(The farm of the small rooster)**

**From three generations we have proudly run our 20 acre estate in Santo Stefano Belbo, on the hills of Valdivilla - not far from the more renowned Canelli - in the heart of Moscato d'Asti area (Piedmont). The grapes of our Moscato d'Asti come from vineyards located in lots #53-53-55 of the map sheet #2 at an altitude of about 1500 feet. The characteristic fragrance, the intense aroma and the fruity taste of Moscato d'Asti are unique in the world.**

**Beside Moscato d'Asti, we produce another uniquely Piedmontese wine: Brachetto, made with grapes of the same name. Its rosé color, the distinctive bouquet and flavor stand out as no other wine in the world. It is gently sweet and slightly pétillant (fizzy).**

**It is with great pride that we share with you our commitment of making the highest quality Moscato d'Asti and Brachetto. Enjoy both of them fresh at 12° C (53°F) in a flute glass.**

**Mario and Mauro Perrone**
